GUEST LECTURE REPORT

Name of Guest Lecture: Human health care

Date: 22-Aug-23

Venue: Moskshagundam Visvesvaraya Seminar Hall

Name of the resource person: Dr. Dilip Ambole

Number of Participants: 35

On August 22, 2023, Dr. A. D. Shinde College of Engineering hosted a workshop focused on a critical human health care report. This event aimed to educate students and faculty about the latest findings and trends in health care systems. The report highlighted the ongoing challenges posed by the COVID-19 pandemic, especially in mental health services, which have seen a significant increase in demand. Disparities in health care access among different communities were discussed, emphasizing the need for equitable solutions.

Key recommendations included enhancing funding for health care infrastructure and integrating technology to improve service delivery. The importance of preventive health measures and health education was also a focal point. Attendees were encouraged to explore interdisciplinary approaches, combining engineering solutions with health care needs. The workshop fostered discussions on the role of future engineers in innovating health care technologies. Overall, the event aimed to inspire a new generation of engineers to actively contribute to the evolving health care landscape.

GUEST LECTURE REPORT

Name of Guest Lecture: Human Values

Date: 25-Aug-23

Venue: Moskshagundam Visvesvaraya Seminar Hall

Name of the resource person: Dr Mr. Balasaheb Mulla.

Number of Participants: 86

On August 25, 2023, Dr. A. D. Shinde College of Engineering held a workshop focused on "Human Values." The event aimed to enhance students' understanding of essential values such as empathy, integrity, and respect. Mr. Balasaheb Mulla, a prominent speaker on ethics, delivered the keynote address, emphasizing the role of values in personal and professional life. Interactive sessions allowed students to explore real-life scenarios where human values impact decision-making. Group activities fostered teamwork and cooperation, while case studies illustrated ethical dilemmas in engineering.

A reflection exercise encouraged participants to identify and articulate their personal values. The workshop successfully raised awareness about the importance of integrating human values into engineering practices. Students expressed their commitment to applying these values in their future careers. Overall, the event promoted a culture of integrity and responsibility within the college community. Future workshops will continue to build on these important themes.

GUEST LECTURE REPORT

Name of Guest Lecture: The Art of effective communication

Date: 26-Aug-23

Venue: Moskshagundam Visvesvaraya Seminar Hall

Name of the resource person: Mr. S.S. Powar

Number of Participants: 75

On August 26, 2023, A. D. Shinde College organized a guest lecture titled "The Art of Effective Communication." The event took place in the Moskshagundam Visvesvaraya Seminar Hall, attracting 75 participants. Mr. S.S. Powar, a renowned communication expert, shared valuable insights on enhancing communication skills.

He lecture covered key aspects such as verbal and non-verbal communication, active listening, and overcoming communication barriers. Interactive exercises engaged students and allowed them to practice these skills in real-time. The session concluded with a Q&A segment, where participants sought personalized advice. Overall, the lecture was a significant contribution to the college's commitment to fostering effective communication among students.

Subject: Invitation for Guest Lecture of First Year Student.

Dear Sir,

Dr. A. D. Shinde college of engineering is one of the renowned institute is western Maharashtra established in 2014. Our institute is approved by AICTE New Delhi, recognized by DTE Mumbai and affiliated to Shivaji university Kolhapur. We are offering 5 UG course in Civil, Mechanical, Electrical, Computer Science and Electronics and Computer Science with intake of 300. Our institute has played very important role in providing quality technical education to rural youth and contributed to national growth. Our distinguished alumni are working at top posts in various companies all across the world.

During this academic year we have organized a 'Student Induction Program'(SIP) for newly admitted first year students. Student induction program mainly focuses on teaching 'universal human values to students and their orientation to study engineering.

We take this opportunity to cordially invite you as a Resource Person to deliver a guest lecture on '**importance of Yoga**' to first year students. The program is scheduled on Tuesday 29th August 2023 in auditorium of our institute of 11am.

I request you to kindly accept our invitation and grace the occasion by your august presence.

Thanking you

Dr. D. V. Ghewade

GUEST LECTURE REPORT

Name of Guest Lecture: Importants of Yoga

Date: 29-Aug-23

Venue: Moskshagundam Visvesvaraya Seminar Hall

Name of the resource person: Mr. Sampant Sawant

Number of Participants: 70

On August 29, 2023, A.D. Shinde College of Engineering hosted a guest lecture on the "Importance of Yoga" at the Moskshagundam Visvesvaraya Seminar Hall. The resource person, Mr. Sampant Sawant, an experienced yoga instructor, shared insights on the benefits of yoga for physical, mental, and emotional well-being. He emphasized how yoga enhances flexibility, reduces stress, and fosters self-awareness.

The session included a practical demonstration of simple yoga poses and breathing techniques. Approximately 70 participants actively engaged in the discussion and asked questions. Feedback indicated that attendees found the lecture informative and inspiring. Many expressed interest in further yoga practice. The college appreciates Mr. Sawant's valuable contributions and the enthusiasm of all participants.

GUEST LECTURE REPORT

Name of Guest Lecture: Workshop on Computer Network

Date: 21-Sep-23

Venue: Moskshagundam Visvesvaraya Seminar Hall

Name of the resource person: Mr. S.S. Powar

Number of Participants: 35

On September 21, 2023, A. D. Shinde College of Engineering hosted a workshop titled "Workshop on Computer Network." The event was held in the Moskshagundam Visvesvaraya Seminar Hall, with 35 participants attending. Mr. S.S. Powar, an expert in computer networks, led the workshop, sharing his extensive knowledge and insights into the field.

The session covered essential topics such as network architecture, protocols, and the importance of cybersecurity. Through practical demonstrations and interactive discussions, participants gained hands-on experience with networking tools and techniques. The workshop provided valuable opportunities for students to engage directly with the subject matter and clarify their doubts.

Feedback from participants highlighted the informative nature of the workshop and the effectiveness of Mr. Powar's teaching methods. Overall, the event was a successful addition to the college's commitment to enhancing technical skills and knowledge among engineering students.

GUEST LECTURE REPORT

Name of Guest Lecture: Computer Algorithm

Date: 10-Oct-23

Venue: Moskshagundam Visvesvaraya Seminar Hall

Name of the resource person: Dr. K. B. Manwade

Number of Participants: 40

The guest lecture on "Computer Algorithms" was held on 10th October 2023 at Moskshagundam Visvesvaraya Seminar Hall. The session was conducted by Dr. K. B. Manwade, an expert in the field. A total of 40 participants, including students and faculty, attended the lecture. Dr. Manwade elaborated on the fundamental concepts of algorithms, their significance in computer science, and their real-world applications. He discussed various types of algorithms, including sorting, searching, and optimization techniques.

The lecture provided insights into algorithmic design and analysis, emphasizing time and space complexity. Dr. Manwade also explained how efficient algorithms improve problem-solving capabilities in software development. Participants were encouraged to apply algorithmic thinking in practical scenarios. The lecture ended with an interactive Q&A session, where students clarified their doubts. Overall, the session was insightful and enhanced the participants' understanding of computer algorithms.
